Tables will be given out in order by date of sponsor signup sequence. So, the first to sign up will get first preference.

### ACCESS TO ATTENDEE INFORMATION

For privacy reasons, we are unable to share any information for attendees who “opted-out” of the marketing list during event registration. However, we will provide sponsors at the Platinum levels with access to the full opt-in marketing list of all attendees who have consented to have their information provided for marketing purposes.

Please note that your communications with opt-in attendees is subject to Canada’s Anti-Spam Law (CASL). You must identify yourself to attendees and mention that you have received express consent from their acceptance during signup for the Power of the Cloud event. Should they wish to unsubscribe you must inform us so we can update our records.
